Cattle First.

“One to Ride the River With”

This old west phrase says so much in just six words! The phrase is all about choices we make. A friend that sticks with you through good times and bad. A horse that is more than just transportation, but instead, is a partner that anticipates your direction and gets you where you want to go with safety and confidence in every step.

These choices can make or break any person but can be even more important to a cattleman. Strong character, steadfastness and skill are the hallmarks of “one to ride the river with”.

All of us at Matlock and Associates endeavor to be just that. It is our goal to give you the same trusted reliance on our “brand” as the legendary brands that are on the horses for sale here today. We offer integrity, highly trained and experienced staff along with products that give you peace of mind.

PRF (Pasture, Range, Forage) protection has proven itself time and again. We would consider it an honor to consult with you about your 2022 PRF plans.

Protection that's always ON.

The comprehensive Vetera® portfolio protects from a wide range of infectious diseases, including the relevant strains of influenza and West Nile Virus.

Vaccine purification technology contributes to vaccine safety by minimizing unnecessary components that may contribute to injection site reactions.

Tried and trusted with more than 8 million doses used in horses.

For around-the-clock protection from infectious diseases, ask for VETERA.

When it comes to your horse, the most important kind of protection is oftentimes one you can't see. The proven VETERA vaccine portfolio works to defend horses on the inside with what they need to ward off threatening diseases – keeping them strong, happy and healthy.

There's a lot riding on your vaccine choice, so ask your veterinarian for VETERA.

*YEARLINGS FROM J.P. CAMPBELL RANCH TO CHICAGO PRODUCERS FOR IOWA AND ILLINOIS FEEDERS SEPTEMBER 19-1939
SALE EFFECTED BY CHARLES MIDDLETON AND SON, LUBBOCK, TEXAS*

OVER 100 YEARS OF COMMITMENT

Established in 1920, Chas. S. Middleton and Son has been involved in the cattle business, farm and ranch sales and land appraisals for four generations. With arguably the best team of ranch real estate brokers and appraisers in the industry, we are prepared to offer you outstanding service in the farm and ranch brokerage/appraisal business.

Our team of salesmen has the knowledge and the connections to get properties properly marketed, handle inspections, negotiate deals and help with the process of obtaining financing when required. We work with many trust departments, law firms, CPA's and handle complex deals from start to finish. With a sales team in key locations we are able to serve a broad area and have a better understanding of local aspects other brokerage firms may not understand. Besides having nine brokers/salesmen, we have five well qualified appraisers, including four ARA's (Accredited Rural Appraisers) to serve your needs. Four of our salesmen first had successful careers with Farm Credit Banks as lenders/appraisers prior to joining our company.

BUYING

If you're looking to invest in a ranch or farm property, we know what's available before it's even on the market. We'll help you find the land you're looking for.

SELLING

Our firm will connect you with the special class of buyers who know the value of good land. We'll work hard to help make a return on your investment.

APPRAISALS

Our expert appraisers specialize in farm and ranch properties, and they truly know the market. They'll do the legwork necessary to deliver an accurate, honest value for your property.

Remuda

A herd of horses is silhouetted against a bright orange sunset sky. The sun is a large, glowing orb on the right side of the frame, casting a warm, golden light across the scene. The horses are in various poses, some facing forward and others in profile, creating a sense of movement and activity. The overall atmosphere is one of a busy day on a ranch coming to a close.

From the Spanish word remudar, meaning to change or replace. Cowboys derived their word "remuda" to signify the roster of seven to ten mounts they depended on for their daily work.

There were circle horses, herd horses, running horses, roping horses, branding horses and night horses. There were also cutting horses with speed, stamina and uncanny cow sense. Often, there was a favorite; no special qualifications required.

For over one hundred years, horses carrying the ranch brands of 6666, Beggs, Pitchfork, Tongue River, King and Wagonhound have been bred, raised, trained and selected to meet the tasks of ranch life. We breed 'em well, raise 'em right and ride 'em lots of miles.

Through the changing times present challenges, there is always one constant: we know we can depend on our horses every day. They are here for us...to start and finish every job well done.

BEGGS CATTLE

Company

Established 1876

The Beggs family's 100-plus years in ranching and livestock began in 1876, when George Beggs Sr. settled in what is now Handley, Texas. He leased land in that area and began dealing in cattle and horses. In 1893, Beggs moved his family and business to Fort Worth, and opened a livestock commission and loan business in the Stockyards District.

Beggs' sons, W.D. and John Erin "Crowbar", were ranchers operating as Beggs Brothers. They ranched on leased land at Bluff Dale, Texas, and later moved their operation to Wellington. The senior Beggs' youngest son, George Jr., opened a real estate and insurance office in Fort Worth.

In 1923, the three brothers joined forces to operate the E.D. Farmer Ranch in Parker County,

located between Weatherford and Fort Worth. In 1926, they purchased the Pete Scoggins Ranch in Garza and Kent counties. In 1932, the George Beggs Trust purchased the Pursley and Foley Ranches in Dickens, Kent, King, and Stonewall counties. In 1936, the Trust purchased the Farmer Ranch, and these ranches were all operated by Beggs Brothers.

In 1941, Ed Farmer Beggs and George Beggs III started a cattle operation on part of the family's holdings in Dickens and King counties. Beggs Brothers branded their cattle with a lazy 3 on the left hip. The partnership formed by Ed and George wanted to use a brand not previously registered, and their father, having long had ties with Great Britain, suggested the English Pound mark (£).

This new brand met all the requirements, and was registered as the brand for the partnership and later for the Beggs Cattle Company.

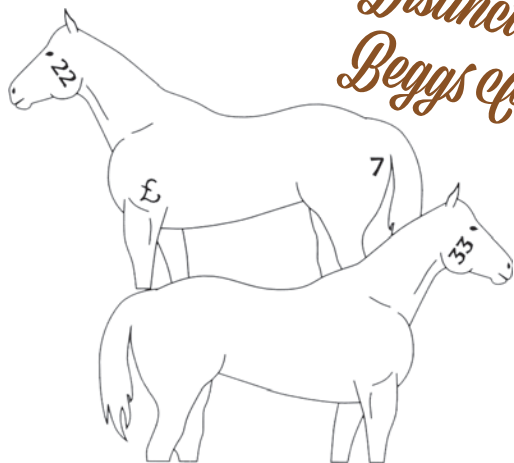

In the late 1940s, the Beggs Brothers partnership was dissolved as the original three brothers retired. The third generation, George Beggs III, took over the day-to-day operations, and in 1950 incorporated all the ranches as Beggs Cattle Company.

Today, the Beggs Cattle Company raises commercial cattle and quarter horses. Ed Farmer Beggs II operates the ranches located in Parker County, while his brother, George Beggs IV, manages ranches located in King, Kent, Stonewall, Dickens, and Garza counties.

FOUR SIXES

Ranch

Established 1870

The untamed, rugged land of Texas became home to legendary ranchers and cowboys as big and windy as the state itself. The vast horizon sprawled across the big-country in which they established prosperous land and cattle operations. Among them was the Four Sixes Ranch. Legend has it that the history of the ranch began with a poker game and a winning hand of four sixes. In true Texas fashion, it does make a good story, but the real history of the Four Sixes began with Samuel Burk Burnett, who became one of the most influential and prosperous cattlemen in Texas.

Born in Bates County, Missouri in 1849, Samuel Burk Burnett and his family moved from Missouri to Denton County, Texas after their home was destroyed in the Jayhawk raids of 1858. Burnett's father, Jerry, became involved in the cattle business and Burk grew up watching and learning. At age 19, Burnett went into business for himself with the purchase of 100 head of cattle, which were wearing the 6666 brand. With the title to the cattle came ownership of the brand.

By 1874, Burnett had survived the panic of the previous year by holding over the winter, 1,100 steers. The next year, he sold the cattle for a profit of \$10,000 and became one of the first ranchers in Texas to buy steers and graze them for market. Increasing his herd yet again, he soon saw the need to have control over the lands on which his cattle fed and began buying property.

Drought conditions in the 1880s forced Burnett and other ranchers to go in search of grass for their cattle. The tribal lands of the Kiowa and Comanche north of the Red River in Oklahoma had not suffered the dry conditions, which devastated the range farther south. So, Burnett negotiated with Comanche chief Quanah Parker for the lease of the Indian lands. Not only was Burnett able to acquire the use of some 300,000 acres of grassland, he gained the friendship of the Comanche leader. The much-needed lease continued until the

early 1900s at which time the federal government ordered the land turned back to the tribes.

By the end of the 19th century, the open range was coming to an end. Independent ranchers in Texas found it increasingly difficult to profit from agriculture as corporations. While individual land holdings fell, the Burnett Ranches grew steadily. A purchase of the 8 Ranch near Guthrie, Texas and the Dixon Creek Ranch marked the beginning of an empire.

Burk Burnett's son, Tom, followed in his father's footsteps. Starting as a ranch hand, he had learned the cattle business in the 1880s and 1890s. At age 16, he began moving cattle and worked as a wagon hand drawing the same wages as other cowboys. As he approached the age of 21, Tom was made wagon boss of the Nation (Indian Territory) Wagon.

By the turn of the century, Tom had already established himself as a respected cowboy and was on his way to becoming a cattle baron. In 1910, he acquired the 26,000-acre Triangle Ranch. He continued to expand his Triangle holdings, buying five ranches in the next 15 years, which were consolidated into one vast range of more than 100,000 acres.

Tom Burnett died in 1938, leaving his estate to his only daughter, Anne Valliant Burnett. "Miss Anne" was known for her knowledge of cattle, horses and fine art. She was instrumental in the establishment of the American Quarter Horse Association, a founder of the Quarter Horse Hall of Fame and an avid supporter of the Texas and Southwestern Cattle Raisers Association.

Under, "Miss Anne," the most important change, other than the discovery of oil, for the Four Sixes Ranch was the addition of an equine breeding program in the 1960s. The ranch was very soon

known for its world-class horses used for ranch work and competition, including Grey Badger II and Hollywood Gold, from which many top racers and cutting horses are descended.

Mrs. Marion was known for her interest in the ranches and their good management. At a young age, she spent summers on the Four Sixes, earning the respect of the cowboys as she learned to ride horses and do the things they did.

Upon the death of Mrs. Marion in 2020, her daughter, Windi Grimes, assumed ownership of the Four Sixes Ranch and is committed to promoting and preserving the brand and its legacy.

Celebrating 150 years this year, the Four Sixes Ranches represent both the present and the past. This is largely due to the foresight of Burk Burnett and the management and support of his descendants, who value their heritage and the prominent ranch's place in the history of Texas and the American West.

An Overview of the 6666 Ranch Quarter Horse Breeding Program

The Quarter Horse operation at the Four Sixes consists of a state-of-the-art horse breeding and veterinary facility, at which 1,250-1,250 mares are bred annually from the ranch, performance, and racing quarter horse disciplines. This ultra-modern facility, attended by two full-time vets and several interns, provides veterinary care for Four Sixes horses and those owned by ranches and clients in the surrounding area.

In addition to on-site breeding, reproductive services offered include embryo transfer, cooled transported and frozen semen, mare management, and Sixes Direct, a cooled transported semen courier service that serves the 1-35 corridor from Aubrey/Pilot Point and Weatherford areas of North Texas to Central Oklahoma. Frozen semen is routinely supplied to breeders in Europe, Australia, Argentina, Brazil, Uruguay, Paraguay, and New Zealand.

The Four Sixes continually strives to offer top stallions in their respective disciplines, providing breeding services to some of the finest cutting, reining and all-around performance bred stallions in the country. The goal of the ranch's own breeding program is to produce the world's best ranch horse, utilizing most of today's popular bloodlines as well as proven foundation bloodlines. Particular emphasis is placed on adequate size, stamina, athletic ability, intelligence and superior cow sense. Also important traits such as adequate withers, proper bone structure, good hoof quality and depth of heart girth are not forgotten. Because this is a working cattle ranch covering nearly 300,000 acres, Four Sixes cowboys require all these traits in the horses they use for daily ranch work.

On the Quarter Horse racing side of the operation, the Four Sixes stands some of the most respected sires in the industry. The racing broodmare band produces outstanding prospects, which are marketed annually as yearlings at the nation's premier auctions.

PITCHFORK

*Land & Cattle
Company*

Established 1883

From all accounts, the Pitchfork Land & Cattle Company would not exist were it not for the life-long friendship of two men—Daniel Baldwin Gardner and Eugene Flewellyn Williams. Both men were born in the South in 1851 to plantation-owning families.

In 1871, tales of abundant opportunity in Texas lured Gardner to Fort Griffin, located near present-day Albany. In February of 1877, Gardner was one of 17 men who drafted plans for what was to become one of the most powerful and prestigious livestock organizations in the world, which is known today as the Texas and Southwestern Cattle Raisers Association.

In the summer of 1881, Gardner learned that Jerry Savage, who had been running cattle on the South Wichita River under a Pitchfork brand, was interested in selling land, equipment and stock. Needing capital, Gardner thought of his cousin and boyhood friend, Eugene Williams.

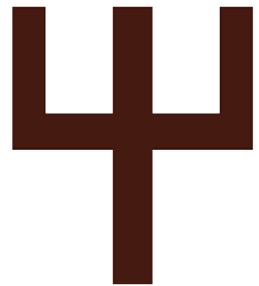

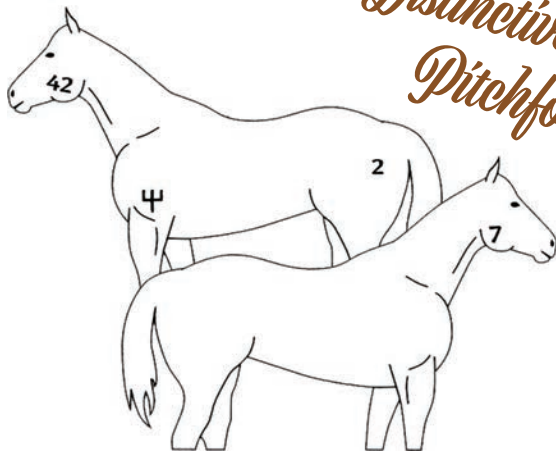

In 1881, Williams journeyed to Fort Worth and after a dinner meeting announced he was ready to close the deal, without seeing either the land or the cattle. Williams said he was investing in the venture solely because he had the highest regard for his friend, Dan Gardner. Williams wrote a check and took the night train back to St. Louis.

The property Gardner and Williams purchased included 2,600 longhorn cattle, 70 horses, wagons and camp equipment, but little land. They did obtain rights to the ranch that bordered the South Wichita River in eastern Dickens and western King counties.

Wishing to expand, but lacking capital, the two men found two

TONGUE RIVER

Ranch

Established 1898

In 1898, Eric and Albin Swenson purchased the 79,000 acre Scab 8 Ranch. The ranch was nestled in the communal corners of four Texas counties: King, Cottle, Motley and Dickens. The brothers renamed it Tongue River Ranch because of its location on the Tongue (South Pease) River. The unusual name of the river was said to bear reference to the black tongue, a nineteenth century disease which wiped out many buffalo in the region. Folklore also states that due to the melting pot of inhabitants as well as the myriad of languages representative of the Indian tribes and traders that traveled in this region, the river had been christened “The River of Many Tongues” and was later shortened to Tongue River. Either way, in 1898 Tongue River Ranch as it is known today was born.

Present day owner, Millard Morris purchased the picturesque Tongue River at its current size of 89,000 rolling acres in 1997, and added the 30,000 acre Big Baldy New Mexico Division in 2007.

Paramount to the Tongue River Ranch operation is their outstanding horse program. The Tongue River Ranch has concentrated on raising horses that are not only well-built animals but are, above all, highly intelligent and incredible athletes. Honored to be the 2011 AQHA Best of Remuda Award winner the ranch’s horse program has continued to advance, which is seen across the country as Tongue River Ranch Quarter Horses have qualified to 11 WRCA finals, two of which included Top Horse Titles. They have also received Champion and Reserve Champion Titles at the RHAA finals held in Abilene Texas and have had multiple horses recognized for their achievements including TRR MS PEPCID OLENA, named the 2016 AQHA Leading NRCHA Dam of the

Year and TRR SHARLENA KAT, the 2017 WRCA World Championship Highest Placing Ranching Heritage bred horse. The Ranch has been privileged to have been awarded an exemplary amount of Top Horse Awards in the 3 largest and most recognized Ranch Rodeos in Texas: The Western Horseman's Best of the West Invitational Ranch Rodeo at the Fort Worth Stock Show and Rodeo, Texas Ranch Roundup in Wichita Falls, Texas, and the Western Heritage Classic in Abilene, Texas.

Tongue River Ranch takes great pride in preserving the land for future generations to come. Continuing tradition and preserving history is a way of life, not a job, at Tongue River Ranch.

KING RANCH

Quarter Horses

Established 1853

King Ranch is a private, family-owned corporation that combines time-tested practices with cutting-edge technologies. The Home Ranches in South Texas cover 825,000 acres. Over the course of 165 years, King Ranch led some of the first cattle drives, developed the Santa Gertrudis of cattle as well as the Santa Cruz and American Red commercial crosses, bred the finest Quarter Horses, and produced champion Thoroughbreds—all under its iconic Running W® brand.

The King Ranch Quarter Horse breeding program evolved from necessity. Horses are vital for handling and working cattle on the widespread holdings of the Ranch. With the numbers of cattle and nature of the country, the horses have to be quick, fast, smart, and tough. They have to have heart and endurance to go all day in the heat and the humidity.

The working horses are as important to King Ranch today as they were when Captain Richard King established the Ranch in 1853. Despite technological innovations in many other aspects of King Ranch life, the horse remains essential on the Ranch with all of the cowboys still doing their work mounted on King Ranch-bred Quarter Horses. As the Ranch continues to evolve its Quarter Horse pedigrees to more modern bloodlines, the Ranch will never forget the lessons learned of what makes the best horses for the toughest terrain.

Every horse on King Ranch is a descendant of OLD SORREL, the foundation sire of King Ranch, and one of the foundation sires of the American Quarter Horse breed. As one of the founding members of the AQHA, King Ranch has bred and registered

more American Quarter Horses than any other ranch or operation in history: currently over 7,300.

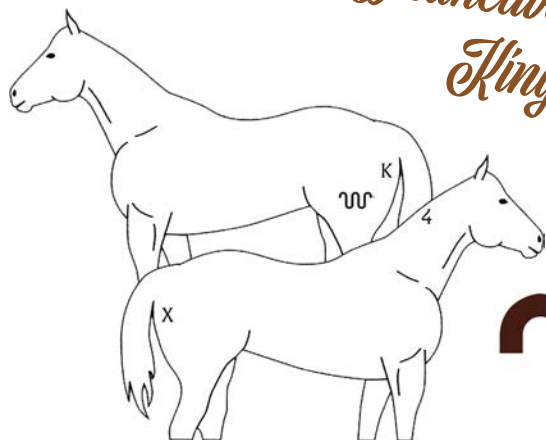

Today, King Ranch continues to improve on the bloodlines of the OLD SORREL family of horses. Most recent success include 2021 AQHA Versatility Ranch Junior World Champion CORONEL DELRANCHO. Its current stallions: EL REY HIDAS, KINENOS MOON, MARSALA RED, and THE BOON are all 8th and 9th generation descendants of OLD SORREL and of PEPPY SAN BADGER. All four of King Ranch's stallions currently stand to the public through the stallion services of 6666s Ranch.

Through six generations of Captain Richard King, the Family continues to foster a culture of uncompromising quality, stewardship, and authenticity—a true testament to their heritage and their commitment to the land.

WAGONHOUND

Land & Livestock

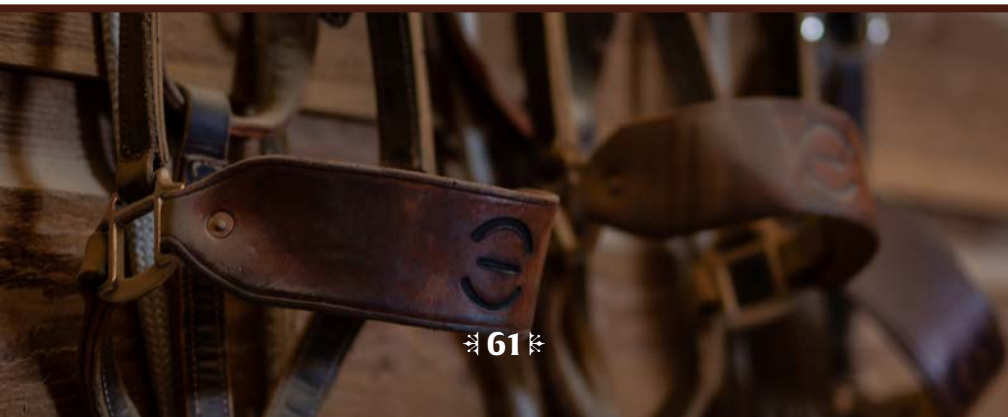

Established 1999

Wagonhound Land and Livestock's roots go back to the late 1800s when the cattle drives came up from Texas and the pioneers traveled through on the Oregon Trail. As settlers moved across the land, a tough-to-cross creek became well-known as the Wagon Hound Creek because many wagons broke their hounds as they crossed. Today, this creek is located only yards from Wagonhound headquarters and the ranch brand, "quarter circle, bar, quarter circle," is the territorial brand that loosely resembles a wagon hound.

Today the ranch consists of more than 300,000 acres located along Wyoming's Laramie Range on the east edge of the Rocky Mountains, with an elevation varying from 5,000 to 9,000 feet.

Wagonhound Land & Livestock is comprised of four divisions. The Horse Division's objective is to build on the pedigrees that have been ever-present in top ranch and performance horses and to compliment and improve the American Quarter Horse breed. In recognition of its efforts the ranch was awarded with the 2017 AQHA Best of the Remuda award.

The second division is the Cattle Division, consisting of a foundation herd of 5,000 red angus cows. All cattle are selected and managed to produce high quality replacement heifers and premium beef. The ranches replacement stock comes from within the breeding program and is supported by using bloodline diversity from the finest bulls available.

Wagonhound Land and Livestock also owns and operates two feedlots, which are located in the heart of the farming division, making the movement of daily feed rations more efficient.

The Farming Division primarily produces alfalfa with rotating crops including corn silage, barley hay, barley grain and oats. With 39 center pivots covering approximately 5,000 acres, the farm produces approximately 20,000 tons of alfalfa annually. Most hay is sold via hay auction to dairies across the country as well as to horse operations looking for premium hay.

Finally the outfitting program is diverse with elk, mule deer, whitetail deer, antelope, bear and fishing. The Outfitting Division is managed in house by licensed outfitter Dax McCarty.

While the Wagonhound has many state-of-the-art facilities, much about the ranch has not changed since the 1800s...the current owners have seamlessly blended time-honored values and traditions with the 21st century. Wagonhound's philosophy emphasize conservation as the way to preserve the land, wildlife, livestock and the western way of life.

Notes Terry Riddle says this filly carries herself well and is good-natured; she is, in fact, a real “people horse” with a big personality that has been an attentive, willing student and a natural to start. With 60 days of riding by sale time, she is light-mouthed, has a natural stop, and is beginning to spin. This very attractive 2-year-old should definitely be considered as a versatility ranch prospect. **Genetic Testing:** 5-Panel N/N.

Nominations: AQHA Ranching Heritage; **Eligibilities:** Ruby Buckle.

SIRE: GUTHRIE CITY LIMITS (2012). Halter, Ranch Conformation, Versatility Ranch money-earner, and an AQHA point-earner. Notes Soft in the bridle and big-hearted, "Red Ant" is trustworthy and seasoned in all phases of ranch work. From the string of Cotton Leathers, this heavy, well-made, gentle gelding is sensible enough for an experienced youth rider to show but has too much action for a small child. An exceptional horse in every way, he is great to use when sorting cattle or dragging calves to the fire. An accomplished rope horse in the pasture, he has also been started in the arena on both ends and is quiet in the box. Lightly shown he was the RHAA Canyon TX Cowboy 1500 Limited Open class winner and is a half-brother to TERRIFIC MOVEMENT (\$10,507 and 9.5 AQHA points: AQHA World Versatility Ranch Horse Ranch Cow Work Division Cowboy and Trail Division Cowboy Reserve Champion; AQHA High Point Junior Versatility Ranch Horse Cowboy Open Reserve Champion). Height 15.3 hh; Weight 1260 lbs.

Enrollments: AQHA Ranching Heritage.

SIRE: SEVEN FROM HEAVEN (1999). Earner of \$72,732: AQHA World Champion Junior Cutting Horse. Sire of AN OKIE FROM HEAVEN (\$9,478 and 15 AQHA points: NSHA RCH Classic Novice Horse Open Reserve Champion), REMEMBER SUNSET (\$5,000: Road to the Horse 3-Year-Old Team Challenge Open Co-Champion).

DAM: COWGIRL MOVEMENT (2000). Half-sister to WHOLE LOTTA WHISKEY (split 3rd Sandhills Slide Non-Pro Reining Derby), DIRTY SANJO (4th Superior Equine Barrel Racing Short Go Open 2D). A daughter of TANQUERY GIN, \$15,199 and 6 AQHA points: finalist in the NCHA Open Futurity; semi-finalist in the NCHA Open Derby. Sire of 178 money-earners, \$2,366,648, and earners of 2,394 AQHA points.

Notes If speed is at the top of your priority list, and you are a true cowboy, don't miss this timed-event project. A pretty-headed, eye-catching gelding from the string of True Burson, he describes him as "fast, real fast," athletic and tough, and as having a big heart. He got his name "Wild Card" after being selected in 2021 Road to the Horse by wild card competitor Wylene Davis; the team won the first and second rounds and finished second overall. Since returning to the ranch, Burson has restarted this colt and suggests it will take an experienced cowboy to develop this gelding into an exceptional finished horse. Height 14.3 hh; Weight 936 lbs.

Eligibilities: AQHA Ranching Heritage, Future Fortunes, and Ruby Buckle.

SIRE: BIGTIME FAVORITE SI 102 (2002). Stakes winner of \$324,020. Notes "Gator," an 8-year-old from the string of Joshua Halsell, is well-versed in all things ranching. An RHAA money-earner, he also shows enormous talent in the arena as a rope horse. He is broke, athletic, fast, and has a big stop. You can catch anything you need to in the pasture, head, heel, and breakaway off this gelding in any arena, indoors or outside, and he will stand in the box flat-footed and break off your hand like a soldier. Josh cannot say enough good things about this horse's outgoing personality and potential as a top-notch competition or real deal ranch horse. Height 14.2 hh; Weight 1200 lbs.

Eligibilities: AQHA Ranching Heritage.

SIRE: MEDICINAL MECOM BLUE (2005). An AQHA point-earner in the tie-down roping and versatility ranch, winning the WRCA Cowboy Class at the 2012 Amarillo Ranch Horse of America show and the Wrangler Class at the 2013 Roaring Springs RHAA show. Notes "Chisum" is a well-seasoned ranch horse that has been used for just about anything that can be done horseback on a ranch and checks all of the boxes when it comes to physique, athletic ability, and intelligence. From the string of Clint Jones, he pays the horse a lot of compliments, saying he is always a pleasure to ride, game to do whatever is asked of him, and would make a great family horse. A soft-mouthed, athletic skilled mover with a deep stop and fast spins he has had cattle roped off of him in the pasture and both ends in the arena, is quiet in the box. Considered one of our top consignments, this horse has been lightly hauled to ranch rodeos and jackpot team ropings. Height 14.3 hh; Weight 1250 lbs.

Eligibilities: AQHA Ranching Heritage.

SIRE: CAT AND CASH (2010). Sire of SOPHISTICATEDDIAMOND (AQHA World Versatility Ranch Horse Junior Ranch Trail Division Open Reserve Champion). Notes Jeff Williams is quick to commend this top-end ranch and rope horse, saying there is nothing this ultra-talented gelding can't do when it comes to roping, "I could rope a Santa Fe train off him if it were possible." The attractive 6-year-old gelding has had 90 days with Hollis Harris, refining his skills as a heel horse, is quiet in the box, and is ready to go on to be seasoned. His conformation is nearly flawless and traveling across various terrain is no problem, he has dark feet with a good thick sole. A real people pleaser, this sensible gelding has logged many miles across the ranch performing every task with ease and is the kind every family member will enjoy.

Eligibilities: AQHA Ranching Heritage.

Notes

One of our consignment highlights, this colt comes from the same lineage as several horses that Tripp Townsend has had success showing and roping on over the years. His substantial frame, pretty head, and clean neck make him an impressive stallion prospect. **Genetic Testing:** 5-Panel N/N.

Eligibilities: AQHA *Ranching Heritage*.

SIRE: MEDICINAL MECOM BLUE (2005). An AQHA point-earner in the tie-down roping and versatility ranch, winning the WRCA Cowboy Class at the 2012 Amarillo Ranch Horse of America show and the Wrangler Class at the 2013 Roaring Springs RHAA show. His performers include TRR FOXY MIA (ARHA World Horsemanship Youth Reserve Champion), TRR LIL PEPPY GIN (5.5 AQHA points), TRR PADDY BLUE SUE (AQHA point-earner: finalist in the AQHA World Versatility Ranch Horse Ranch Riding Division Youth), IM SMART MEDICINE (Oregon RCHA Summer Non-Pro Derby Champion), TRR PASEOS BLUE GIN (3rd RHAA Clarendon Texas Senior Open class). Son of MECOM BLUE (AQHA/APHA); sire of 216 money-earners, \$3,756,072, and earners of 2,152 AQHA points.

DAM: TRR LUCKY KIT (2013). Half-sister to TRR LUCKY BRAZOS (\$57,099: NRCHA Limited Open Futurity Champion), TRR LUCKY PLAYGUN (\$29,828 and 108.5 AQHA points: AQHA World Versatility Ranch Horse Overall Senior Open Champion), TRR LUCKY HOMETOWN (RHAA money-earner), TRR PEPCIDS GUN (ARHA. World All-Age Ranch Roping Open Champion). A daughter of CATS HILLBILLY; sire of 15 money-earners, including TRR ROCKIN CAT (6 AQHA points: AQHA World Versatility Ranch Horse Ranch Riding Division Youth Reserve Champion).

TERMS *and* CONDITIONS

BIDDING: Each animal will be sold to the highest bidder. The auctioneer reserves the right to reject any and all bids.

BIDDING DISPUTES: The auctioneer will settle any disputes as to bids, and the auctioneer's decision on such matters shall be final.

TERMS: Terms of sale are cash or acceptable check to the clerk at the conclusion of the auction. All settlements are to be made in U.S. currency and payable to The Remuda Sale.

CERTIFICATE OF REGISTRY: A certificate of registry will be furnished and transferred to the buyer. Give full name and address to the clerk when making payment so the transfer will be made properly. Transfer fee will be paid by the seller. Registration papers and transfer certificates will be sent directly to the AQHA office when check clears the bank.

HEALTH: Horses are eligible for interstate shipment. All horses have a current negative Coggins test. Interstate health certificates will be furnished for each animal leaving Texas. Out of state buyers should check with their state veterinarian regarding regulations in their state.

GENETIC TESTING: Genetic Testing in accordance with AQHA Rule #109, will be reported on all horses selling in the sale that have been tested. Some of the horses consigned to this sale have had one or more of these five-panel tests performed and the results are listed on individual's catalog page. Also, a copy of individual genetic testing results is available for the prospective buyers in the Four Sixes Ranch sale office.

ANNOUNCEMENTS: Any change in information of any kind in this catalog will be announced from the auction block. Such announcements shall take precedence over printed material. Every effort has been made to ensure the accuracy of this catalog. Sale management and auctioneer will not assume or accept responsibility for errors or omissions. Any known blemishes or defects will be called before the bidding begins. Sale management, auctioneer, sale staff and employees of Burnett Ranches, LLC (6666 Ranch), Beggs Cattle Company, Pitchfork Land and Cattle Company, Tongue River Ranch, King Ranch and Wagonhound Land & Livestock act as agents for the seller but assume no liability for buyer or seller.

£ 6666 Ψ J M W® ☺

POSSESSION: When the animal leaves the sale ring it is the property of the purchaser and we will care for the animal for 24 hours after the sale, but it will be at the purchaser's risk. If it is not convenient for a purchaser to take delivery within 24 hours, we will be glad to make satisfactory arrangements whereby we will care for the animal for a reasonable length of time.

LIABILITIES: All persons who attend this sale do so at their own risk. Burnett Ranches, LLC (6666 Ranch), Beggs Cattle Company, Pitchfork Land and Cattle Company, Tongue River Ranch, King Ranch, and Wagonhound Land & Livestock and their employees assume no liability, legal or otherwise, for any accidents.

CONTRACT: The above terms and guarantees shall constitute a contract between the buyer and the seller of each animal sold.

TRANSPORTATION: Delivery arrangements of purchased stock are the responsibility of the buyer.

LAW GOVERNING: The terms and conditions covering this sale shall be governed by and construed under the laws of the state of Texas. King County, Texas is designated as the place of venue of resolution of any disputes.

DISCLAIMER OF WARRANTIES: Except as explicitly otherwise provided herein in writing, seller does not warrant that any livestock being sold herein under the terms of this sale are fit for any particular purpose or are merchantable, and any expressed or implied warranty of fitness, purpose or merchantability is hereby excluded.

LIVE FOAL GUARANTEE: Live foal means the foal shall stand and nurse for twenty-four hours. It is understood that if the mare proves barren, aborts her foal, or if foal is stillborn, a return season will be guaranteed for the following year, providing proper notification is given. Proper notification shall be defined as follows: written certification by a licensed veterinarian within fourteen days that the mare has slipped or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the Owner subsequent to the mare's departure from Breeder. Failure to do this will void the Live Foal Guarantee.

GENETIC DISEASE RESULTS AND DESCRIPTIONS

Genes come in pairs; each parent contributes one copy to the offspring. With respect to the autosomal dominant genetic diseases listed below (HYPP, PSSM, and MH), only one defective gene is necessary to express the genetic disease in question. Such gene can be inherited from either of the parents or from both of the parents. With respect to autosomal recessive genetic diseases listed below (GBED and HERDA), typically, two copies of an abnormal gene (two copies = a pair) must be present in order for the horse to show signs of the genetic defect in question. Horses with only one copy of the defective gene are considered “carriers”.

GBED – Glycogen Branching Enzyme Deficiency. Fatal disease of newborn foals caused by defect in glycogen storage. Affects heart and skeletal muscles and brain. Inherited as a recessive gene.

Possible results:

N/N	Normal - does not possess the disease-causing GBED gene.
N/G	Carrier - Heterozygous (one normal and one GBED gene).
G/G	Affected – horse has two copies of the GBED gene.

HERDA – Hereditary Equine Regional Dermal Asthenia. Skin disease characterized by hyperextensible skin, scarring, and severe lesions along the back of affected horses. Typical onset is around 2 years of age. Inherited as a recessive disease.

Possible results:

N/N	Normal - horse does not have the HERDA gene.
N/HRD	Carrier - horse carries one copy of the HERDA gene.
HRD/HRD	Affected - horse has two copies of the HERDA gene.

HYPP – Hyperkalemic Periodic Paralysis. Muscle disease caused by defect in sodium channel gene that causes involuntary muscle contraction and increased level of potassium in blood. Inherited as a dominant disease. Two copies of the defective gene produce more severe signs than one copy.

Possible results:

N/N	Normal - does not possess the disease-causing HYPP gene.
N/H	Hyperkalemic - Heterozygous (one normal and one HYPP gene).
H/H	Affected - horse has two copies of the HYPP gene.

MH – Malignant Hyperthermia. Rare but life-threatening skeletal muscle disease triggered by exposure to volatile anesthetics (halothane), depolarizing muscle relaxants (succinylcholine), and stress. Presumed inheritance as a dominant disease.

Possible results:

N/N	Normal - horse does not have the MH gene.
N/MH	Affected - horse has one copy of the MH gene.
MH/MH	Affected - horse has two copies of the MH gene.

PSSM1 – Polysaccharide Storage Myopathy Type 1. Muscle disease characterized by accumulation of abnormal complex sugars in skeletal muscles. Signs include muscle pain, stiffness, skin twitching, sweating, weakness and reluctance to move. Inherited as a dominant disease.

Possible results:

N/N	Normal - horse does not have the PSSM1 gene.
N/PSSM1	Affected - Horse has one copy of the PSSM1 gene.
PSSM1/PSSM1	Affected - horse has two copies of the PSSM1 gene.

AQHA Ranching Heritage Breeders & Challenge Programs

*All Return to the Remuda Consignors are
AQHA Ranching Heritage Breeders.*

The American Quarter Horse Association is committed to the promotion of the ranch horse. There are programs to help ranchers to market their ranch-bred American Quarter Horses and opportunities for ranch-bred horses to be showcased in competition.

Ranching Heritage Breeders Program

Ranching Heritage Breeders are AQHA member-owned ranches and individuals who represent longevity, honesty and integrity in raising quality American Quarter Horses and uphold ranching heritage traditions.

Ranching Heritage Breeders must breed and register at least five foals annually and must maintain a remuda of horses used to operate a working cattle operation. The ranch also must have received an AQHA 10-year breeder award to be eligible for the program.

Ranching Heritage Breeders support the Young Horse Development program by donating weanlings and/or offering for sale to members of the American Quarter Horse Youth Association. Youth train and keep these horses, which builds a lifelong passion for the American Quarter Horse.

Ranching Heritage Breeders also can earn cash awards and recognition for their horses competing in 20 events across the country with the Top RHB Horse Award. Owners and Breeders also are presented a cash award.

The horses that come from Ranching Heritage Breeders uphold the tradition and heritage of the working cattle ranch and when horses are purchased from a Ranching Heritage Breeder, that great tradition continues.

AQHA Ranching Heritage Challenge

An exclusive opportunity for Ranching Heritage bred-horses, the AQHA Ranching Heritage Challenge is a way to showcase ranch-bred American Quarter Horses.

The Challenges offer multiple divisions for various ages and skill levels for both horse and rider. Classes include working ranch horse, ranch riding, team roping and barrel racing.

To be eligible, horses must have been bred by a Ranching Heritage Breeder, plus all payments – weanling, yearling, 2-year-old and 3-year-old – must be complete in order to compete. Those payments also generate the purses for Ranching Heritage Challenge events. Horses that compete in a Ranching Heritage Challenge qualify for the RHC Finals.

For more information about AQHA's ranching programs, including a list of Ranching Heritage Breeders, an application to become Ranching Heritage Breeder, Top RHB Horse Award winners and Ranching Heritage Challenge information, visit aqha.com/ranching.
